

GV Financial Advisors is proud to announce that our own senior Wealth Advisor and partner **Suzanne Durbin** has been selected by the *Atlanta Business Chronicle* as one of 2009's "Up and Comers 40 under 40" rising stars. As part of the GV team, Suzanne is focused on helping her clients use their wealth to create the life they desire. We applaud Suzanne for her passionate professionalism, her single-minded dedication to her clients, and her leadership at GV Financial Advisors.

For many years, Suzanne has served as a trusted advisor and confidante. Suzanne also serves our community. Suzanne is on the board and was the immediate past chairperson of the board of *Visions Anew*, a charitable organization committed to helping women connect with resources, support and each other.

We are pleased that Suzanne has been recognized for just some of her many accomplishments as an entrepreneur, wealth advisor, and community leader. This well-deserved recognition could not have been bestowed on a more caring or more deserving person.

From Marc Lewyn, President of GV Financial Advisors: "it has been such a pleasure and a privilege working with Suzanne over the last 16 years and to see how she has touched the lives of so many people. Congratulations Suzanne!"
